Thresholds

Our three threshold choices include standard uPVC or two aluminium options.

Lock Positioning

Standard Auto-Fire Lock

An automatic multi-point locking system featuring four self-locking deadbolt latch to provide additional security.

Heritage Auto-Fire Lock

The aesthetics of a traditional rim latch positioning, but incorporates the latest high security auto-fire technology.

Complete Security

We've partnered with UK security experts to bring their expertise in product design, manufacturing and testing to produce a composite door with optimal security and performance.

Each CompDoor also comes fitted with the very latest in auto-fire multi point lock engineering. This multi deadbolt auto-fire lock has been rigorously tested to over 50,000 cycles and is fully compliant to PAS-24 security standards. The mechanism automatically engages when the door is closed, with no need to lift the handle, for optimal security and to minimise movement.

Tried & Tested

ABS 3 star rated cylinders are approved by the Police Security Association, passing with the Sold Secure Diamond grade- recognised as the highest security standard UK locks can conform to.

Multi-Layered Protection

ABS cylinder feature advanced technology to combat against snapping, picking, drilling and bumping.

Active Snap Protection

When attacked, a hidden pin within the hardened Molybdenum cam fires into action to create a barrier that would-be intruders can't get past.

Comprehensive Door Furniture Range

CompDoor's standard range of high-quality handles, escutcheons and letterplates are taken from Fab & Fix's Balmoral and Architectural ranges, perfectly crafted to be functional, safe and look great.
